Aisha Smith

Email: aisha.smith@example.com | Phone: +91-9876543210 | LinkedIn: linkedin.com/in/aishasmith

Education:

- M.Tech in Computer Science from VIT Vellore, Graduation Year 2022

Experience:

- Data Scientist at Tesla (6 years)
  - ? Designed and shipped features, collaborating cross-functionally.
  - ? Worked on: Scikit-learn, Pandas, NumPy, Data Visualization, SQL.
  - ? Improved performance and scalability; wrote tests and CI/CD scripts.

Projects:

- Data Scientist Portfolio - Built using Scikit-learn, Pandas, NumPy
  - ? Implemented RESTful endpoints, integrated authentication/authorization.
  - ? Analyzed logs/metrics to drive performance improvements.

Skills:

Scikit-learn, Pandas, NumPy, Data Visualization, SQL

Certifications:

- Data Scientist Fundamentals (Coursera) ? Cloud Practitioner (AWS)

Achievements:

- Awarded best Data Scientist intern at Tesla; mentored juniors; led a release train.
